CNAS Grant Incentive Policy

Adopted on 6/16/2022

To qualify for an incentive, the grant has to be new or a significant renewal - not an extension or automatic renewal - and requesting $30,000 or more. CNAS Faculty are eligible for the grant submission program.

Single PI - $500 incentive transferred department for PI use. PI and department head and administrative assistant are notified.

Multiple PI's
- o CNAS PI's listed on the IAF with 15-24% contribution to the grant will each receive $75 for incentive.
- o CNAS PI's listed on the IAF with 25-29% contribution to the grant will each receive $100 for incentive.
- o CNAS PI's listed on the IAF with 30-49% contribution to the grant will each receive $150 for incentive.
- o CNAS PI's listed on the IAF with a 50% or more contribution to the grant will receive $250 for incentive.

PI's and department heads and administrative assistant will be notified when incentives are transferred.

An individual PI can receive a maximum of $500/**calendar** year. (All based on totals for calendar years – not fiscal years.)

Timing for budget transfers -
2022 only – January 1 – April 30 submissions pay out by June 30. May 1 – Dec 30 submissions will pay out by January 30, 2023. After that we will follow the following timeline. January 1-June 30 submissions will pay out by August 1. July 1-December 30 submissions will pay out by January 30 the following year.
