Announcements:

New representatives for College Council, Faculty Senate, and Graduate Council to start in fall 2017 are due Friday, March 10 to the Faculty Senate Office for the following departments respectively: GGP and CSC, PAMS, PAMS and MNAS.

Mark Richter, current Chair of CNAS College Council, is no longer eligible to continue as Chair. A new Chair to start in fall 2017 will be elected at next month's meeting.

Faculty Senate made the department head of Computer Science and the CNAS College Council Chair aware that the proposals submitted last month (in February 2017) listed hours incorrectly. Faculty Senate stated that they could make the appropriate changes at their level. The CNAS College Council voted unanimously to have the Faculty Senate make the necessary corrections to the CSC proposals.

College Council will meet Tuesday, April 11 for the last meeting in spring 2017. Mark your calendar.

Curricular proposals are due Friday, March 31 to make it onto the April agenda.

The meeting adjourned at 3:50 PM.
