- Description

Reason for proposed change

ENG 105 is an alternative to ENG 110 that allows for a lower placement score and includes a more interactive approach. Either completion of ENG 105 or eligibility for ENG 110 is an acceptable pre-requisite for BIO 121.

Does this change affect course assessment (e.g. student learning evidence/outcomes)? No Yes

Explain.

How did you determine the need for this change? Check all boxes that apply or specify other.

- Routine or annual review/assessment of curriculum
- Faculty
- Student Input
- Accreditation/certification compliance
- Review of catalog information
- Other (be specific):

Check if this is a non-substantive change.

What is the date that this course change was approved by departmental or program faculty?
