

Transfer Degree Guide for St Charles Community College students

GEOGRAPHY

The following is a guide to graduation with a bachelor's degree in **GEOGRAPHY**. Successfully completing the following SCC courses, along with your SCC Associate in Arts degree, will help you be the most academically prepared for this major when you transfer to MSU.

Year 1 and Year 2 at SCC

Complete your **SCC Associate of Arts degree**. With the AA you will have met MSU's general education requirements. Select your courses with the assistance of your SCC advisor and include the following SCC courses, as they will transfer and fulfill part of your MSU major requirements.

SCC course	MSU equivalent
GEO 100	GRY 100
GEO 101	GRY Major Elective
GEO 102	GRY Major Elective
GEO 115	GRY 300
MAT 175	MTH 340
GEO 120	GEO 363
GEO 220, 221, 222	GRY Major Elective
GEO 225	GEO 561

Important notes about this MSU major

- MSU offers both a Bachelor of Arts and a Bachelor of Science degree in Geography.
- MSU offers a number of certificate programs and minors that combine well with the Geography major. Please explore these options as a way to enhance your career preparation and build additional skill sets by visiting <https://geosciences.missouristate.edu/minors-certificates.htm>.
- The Geography major requires a minor. Based on the minor you select, you may be able to complete some of the requirements as part of your AA. Consult the MSU Transfer Advisor for more details. Certificates can be combined with non-comprehensive degrees but they do not fulfill the minor requirement.
- This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU advisor and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (STLCC).
