

PHYSICS

The following is a guide to graduation with a bachelor's degree in **PHYSICS**.

Year 1 and Year 2 at OTC

Complete OTC's **Associate of Arts degree**. With the AA you will have met MSU's general education requirements. Select your courses with the assistance of your OTC advisor and include the following OTC courses, as they will transfer and fulfill part of your MSU major requirements.

OTC course	MSU equivalent
PHY 220	PHY 203
PHY 222	PHY 204
MTH 140	MTH 261
MTH 141	MTH 280
MTH 240	MTH 302

Important notes about this MSU major

- Course offerings may vary depending on year. While at OTC, please work with the MSU transfer advisor to plan for your degree at Missouri State University.
- You will need to complete all OTC math and physics courses, listed above, to ensure a smooth transition into your junior year at Missouri State. Please contact the MSU Transfer Advisor for help with this process.
- Students must choose one of the following options: Astronomy/Astrophysics (OTC's PHY 115) or Career Prep Physics or Material Physics or Teacher Prep Physics. Consult the MSU transfer advisor to choose the best option for your career goals.
- OTC students are strongly encouraged to meet with the MSU transfer advisor early in their OTC education to discuss the most appropriate OTC coursework for your intended MSU major, MSU degree requirements, etc.
- This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU advisor and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
