

College of Natural and Applied Sciences

STUDY GROUPS

Meeting

JANUARY 23, 2018

6:00PM

TEMPLE HALL 003

The College of Natural and Applied Sciences encourages all students to join a study group, a great way to increase your chances of success. We are here to help you find or form a group, locate a study area, and get study materials and other aids. In the past, students formed study groups for **BIO121 General Biology I**, **BIO235 Genetics**, **BIO310 Microbiology**, **CHM160 General Chemistry I**, **CHM170 General Chemistry II**, **CHM343 Organic Chemistry II**, **CHM352 Introduction to Biochemistry**, **CSC131 Computational Thinking**, **MTH215 Discrete Mathematics**, **MTH261 Calculus I**, **MTH280 Calculus II**, **MTH287 Computational Calculus I**, **MTH288 Computational Calculus II**, **MTH315 Algebraic Structures**, **PHY123 Introduction to Physics I**.

Benefits of participating in study groups:

- **Better grades and study habits**
- **Increased motivation**
- **Less test anxiety**
- **Networking opportunities**
